

## USB LED Strip Lights Intelligent Remote Bluetooth Music 5050 Light Strip Set

Our Product Introduction

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LINKOP
- Certification: CE/FCC/ROHS
- Model Number: LC-BT-10
- Minimum Order Quantity: 5 Set
- Price: \$2.94 - \$9
- Packaging Details: Color Box
- Delivery Time: 3-5 work days
- Payment Terms: T/T
- Supply Ability: 50000 sets/month

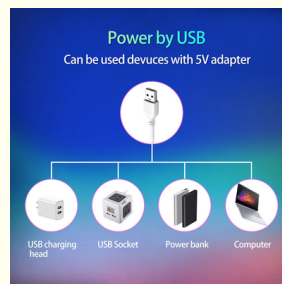

### Product Specification

- Input Voltage(v): DC5V
- Working Lifetime(hour): 50000
- Working Temperature(°C): -20 - 50
- Warranty: 2years
- Product Name: Addressable Bluetooth Music Light Strip Set
- Ip Rating: IP20
- Pcb Color: White PCB
- Emitting Color: RGB+IC
- Size: 1-10M/Set
- Control Mode: Remote Control/manual Buttons/app
- Highlight: Intelligent Remote USB LED Strip Lights, Bluetooth Music LED Strip Lights, 5050 Light Strip Set

## Product Description

### USB LED Light Strip Intelligent Remote Bluetooth Music 5050 Light Strip Set

About the product

1. Multiple Colors & DIY: RGB strip light with unique design R/G/B hybrid dimming, not only RGB (red, green, blue), the brightness of the strip light can be adjusted, and millions of different colors and 29 lighting modes are available. Multiple DIY modes are available to meet your different mood lighting.

## Product parameters

**Product Name:** RGBIC led Strip lights

**LEDs Type:** SMD 5050

**Emitting Color:** RGB

**Plate auality:** 50PCB (White) /IP20

**Product characteristics:** Duocol X multifunctional app

**LED Quantity:** 14leds/m

**Amp bead brightness:** single brightness 20lm

**Working Voltage:** DC 5V

**Product accessories:** lamp belt Controller

**5M Shipping standard:** 164g for each set

**84 sets for each box** 12.3KG per case

**10M Shipping standard:** 239g for each set 84 sets for each box

**21KG per case Product size:** Single box size 160\*160\*25m

**Out box size 59\*32.5\*33CM**

2. Built-in microphone and music sync: LED strip light has a built-in sensitivity microphone that can be synchronized with any music and dance to the rhythm of the music. The LED light also syncs with the music played by the phone in music mode. The smart light bar provides you with a vivid lighting atmosphere.

3. Three control ways: Scan the QR code on the manual, and control the light bar through the Bluetooth app. Or use the 24-key IR remote control strip light color-changing model. The 3-key switch lets you turn the lights on/off, change the LED light color, dynamic mode, and microphone mode.

4. Timer function: According to the sleep time, automatically turn on and off the light bar within the set time, the light will go off when you fall asleep, and it will light up when you get up. Let the strip light automatically turn on and off as your favorite color. The LED light has overcharge, short-circuit protection, and memory function. Just connect the RGB strip with the 5V USB port. Therefore it is safe for both adults and children.

5. Wide application: This LED strip light creates a warm, harmonious, romantic atmosphere for your home. It can be used to decorate the living room, bedroom, upstairs, kitchen, computer desk, Christmas tree, car, and TV. It is especially suitable for Christmas, Halloween, parties and other occasions. It's also a great gift for family and friends, who are sure to be fascinated by it.

## Illuminate Your Life with Vivid Colors

Create romantic and relaxing room atmosphere lights.

### Quick detailed information:

- White PVC double-sided board
- DC 5V
- Addressable RGB light strip
- 2.4G remote control
- Running Horse, Flowing Water, Meteor Effect
- 120 ° luminescence
- 1.5W/1 meter
- Compliant with CE/FCC/ROHS
- Support customized packaging
- Intelligent app control
- 2-year warranty

### Application program:

Widely used in TV background, bedroom, living room, bed edge, light atmosphere, indoor lighting and so on

Product Name:	RGB+IC led Strip lights
LEDs Type:	SMD 5050
Emitting Color:	RGB
Plate auality:	50PCB(White)/ IP20
Product characteristics:	Duocol X multifunctional app
LED Quantity:	14leds/m
Amp bead brightness:	single brightness 20lm
Working Voltage:	DC 5V
Product accessories:	lamp belt controller
Packaging	Color Box
Net Weight	5M:164g for each set 10M:239g for each set
Dimension	160*160*25MM

Package	59*32.5*33CM(84 sets) 5M: 12.3kg 10M:21kg
---------	---

**Notices:**

1. Open the packaging and carefully inspect the product and accessories
2. Test product functionality
3. Tear off the double-sided adhesive tape on the back and stick it in the desired place (note: the wall must be smooth and tidy)
