

Eye Protection LED Table Lamp Cordless Rechargeable Battery Touch Control

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LINKOP
- Certification: CE
- Model Number: LC-TYI001A
- Minimum Order Quantity: 5 Pcs
- Price: \$6.8/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 work days
- Payment Terms: T/T
- Supply Ability: 30000pcs/month

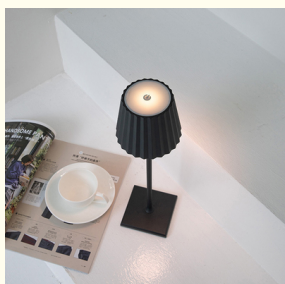

Product Specification

- Product Name: Touch The High Legged Small Desk Lamp
- Lamp Body Material: Iron+PC
- Metal: Metal
- Light Source: LED
- Support Dimmer: Yes
- Control Mode: Touch Control
- Color Temperature(CCT): 3000-6500K
- Input Voltage(V): DC 5V
- Lamp Luminous Efficiency(lm/w): 50
- Product Size: 37*11*9.5cm
- Product Color: Black/White
- Product Weight (g) : 767
- Power Source: Rechargeable (1800mAh)
- Package Size: 43.5*42*60cm 15.2KG(18Pcs/Box)

Product Description

LED Table Lamp Cordless Rechargeable Battery Touch Control Portable And Eye Protection

About this product:

1. Cordless light design: Our cordless design allows you to experience unparalleled freedom - free from tangled power cords, and enjoy the freedom to illuminate any space without constraints.
2. Rechargeable battery, suitable for emergency situations during power outages, providing reliable light sources.
3. Touch control and adjustability: Touch adjustment, simple and convenient to operate. Adjust brightness with simple touch - switch light modes with tap and long press to adjust brightness. Custom color temperature, from 3000K to 6000K, spanning white light, warm yellow light, and warm white light. From 5% to 100% seamless dimming, it can meet various settings.
4. Portable and Fashionable: This battery powered desk lamp is portable and stylish, with its modern design seamlessly matching any setting - whether it's a bedside table, desk, or shelf, adding long-lasting embellishments to your home or office decor.
5. IP54 waterproof LED outdoor desk lamp: This battery desk lamp is made of matte aluminum coating and acrylic lampshade, with scratch and corrosion resistance and long-lasting quality. Its IP54 waterproof rating ensures a seamless transition between indoor and outdoor settings, while the anti slip bottom ensures stable placement.
6. Eye protection: This upgraded cordless lamp features a circular light source design, providing 360 ° uniform lighting without blind spots. Equipped with high-quality LED beads, ensuring no flickering, no glare, and no emission of ultraviolet or infrared radiation. Enjoy stable and instantaneous light, ensuring the vision and overall health of your family.
