

5v 5050 Addressable Rgb Light Strip Non Waterproof IP20 60leds/Meter

Our Product Introduction

for more products please visit us on ledslightstrip.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LINKOP
- Certification: CE
- Model Number: LCSD-5V2812-60D-IP20
- Minimum Order Quantity: 50 meters
- Price: \$3/meters
- Packaging Details: bag
- Delivery Time: 3-8 work days
- Payment Terms: T/T
- Supply Ability: 100000meters/month

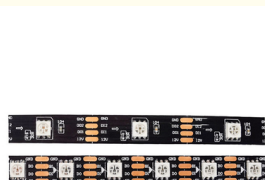

Product Specification

- Ip Rating: Ip20
- Led Quantity: 60 LEDs/m
- Led Specification: SMD 5050+2812
- Leds: 60pcs
- Input Voltage: DC 5
- Lamp Body Material: PVC
- Life: 30,000h
- Switch Mode: Remote Control
- Highlight: **Addressable Rgb Light Strip, 5v Rgb Light Strip, 60leds/Meter Rgb Light Strip**

Product Description

5v 5050 Addressable Rgb Light Strip, Non Waterproof IP20 60leds/Meter

Product Description:

Our Adhesive LED Rope Lights has 60pcs LEDs per meter. The SMD 5050+WS2812 LED type ensures energy-efficient lighting and a long lifespan of up to 30,000 hours.

These LED strips are perfect for various applications, such as home decoration, commercial lighting, and accent lighting. You can easily install them on any surface with the help of the adhesive backing. The flexible design allows for easy bending and shaping to fit any surface.

Our Adhesive LED Rope Lights are also dimmable, allowing you to adjust the brightness to your desired level. You can easily control the lighting with a compatible dimmer switch or controller. The LED strip lighting is perfect for creating a relaxing ambiance or setting the mood for any occasion.

Overall, the Adhesive LED Rope Lights are a great investment for anyone who wants to upgrade their lighting game. With its energy-efficient design, long lifespan, and versatile application, it's a perfect addition to any home or commercial space.

Features:

Product Name: LED STRIP LIGHTS

Type: RGB Add Strip Light

Voltage: 5V

Led Quantity: 60 LEDs/m

Ip Rating: IP20

Emitting Colour: RGB

Features: Low voltage safety, dreamy and great light color

Dimmable LED Strip Lighting

Adhesive LED Rope Lights

Color-Changing Light Strips

Technical Parameters:

Item Name	WS2812 Add Strip Light
Item Type	Light Strips
Switch Mode	Remote Control
Life	30,000h
Lamp Body Material	PVC
Led Type	SMD 5050+2812IC
Leds	60pcs
Led Specification	SMD 5050
Input Voltage	DC 12
Type	RGB Add Strip Light

Applications:

The 5V voltage of these LED Strip Lights makes them energy-efficient, which is ideal for those who are looking to reduce their energy bills. The RGB Add Strip Light type allows for a wide range of colors and effects, making them perfect for any occasion or event. The Lamp Body Material is PVC, which is a durable and long-lasting material that can withstand wear and tear.

These LED Strip Lights are perfect for a variety of product application occasions and scenarios. They can be used in homes as under-cabinet lighting, in bedrooms as ambient lighting, or in living rooms as accent lighting. They are also perfect for businesses, such as restaurants, bars, and clubs, where they can create the perfect ambiance for customers.

The dimmable LED strip lighting feature allows for customization, making them perfect for any mood or occasion. For example, they can be dimmed for a romantic dinner or brightened up for a party. The flexibility of these LED lights allows them to be used in a variety of settings. They can be cut to fit any space, making them perfect for any project.
