

## Intelligent Linkage Sensing Small Motion Sensor Night Light

Our Product Introduction

for more products please visit us on [ledslightstrip.com](http://ledslightstrip.com)

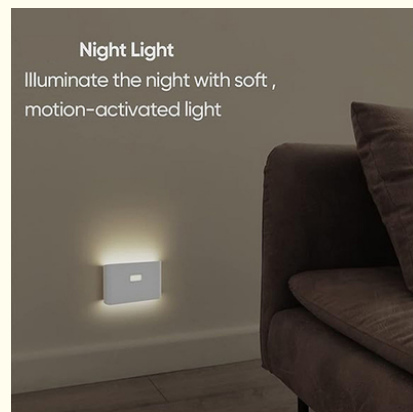

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LINKOP
- Certification: CE/FCC/ROHS
- Model Number: LC-SNL-B
- Minimum Order Quantity: 10pcs
- Price: \$4.8/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 200000pcs/ month

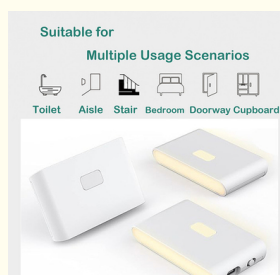

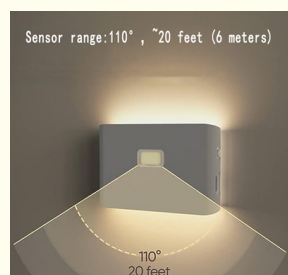

### Product Specification

- Sensor Angle: 120 Degrees
- Application Scenario: Wardrobe/ Display Case/ Cabinet/ Desk/ Stairs/ Bedside
- Sensor Type: Motion Sensor
- Color Temperature: 3000K/4500K/6000K
- Dimensions: 1
- Installation Method: Magnetic Installation
- Waterproof: No
- Power Source: Rechargeable Lithium-ion Battery
- Highlight: **Small Motion Sensor Night Light, Intelligent Linkage Sensing Night Light, Intelligent Motion Sensor Night Light**

## Product Description

### Intelligent Linkage Sensing Small Night Light Motion Sensor Charging Night Light

#### Product Description:

One of the key features of this LED motion sensor night light is its human body sensing technology. This means that it can detect the presence of people in its immediate vicinity, automatically turning on when someone enters the room and turning off when they leave. This is an incredibly useful feature for those who want to conserve energy, as it ensures that the light is only on when it is needed. Additionally, this motion sensor light has a large capacity battery, which means it can operate for extended periods of time without needing to be recharged.

Whether you need a reliable lighting solution for your home, office, or outdoor space, this LED motion sensor light is an excellent choice. Its multi-specification size means that it can be used in a range of settings, from small rooms to large outdoor areas. And while it is not waterproof, it is still a highly durable and reliable product that is built to last.

Finally, it is important to note that this LED motion sensor light is CE/FCC/ROHS certified, meaning that it is safe and reliable to use. So if you are looking for a high-quality lighting solution that is both convenient and efficient, this motion sensor light is an excellent choice.

#### Features:

Product Name: LED motion sensor night light

Brightness: Adjustable

Application scenario: Wardrobe/ Display Case/ Cabinet/ Desk/ Stairs/ Bedside

Color Temperature: 3000K/4500K/6000K

Material: ABS

Sensor Range: Up To 10 Feet

Features: Automatic lights on and off

Motion sensor

Ultra thin intelligent

Three color dimming

#### Technical Parameters:

Application Scenario	Wardrobe/ Display Case/ Cabinet/ Desk/ Stairs/ Bedside
Dimensions	1
Sensor Type	Motion Sensor
Light Source	LED
Sensor Angle	120 Degrees
Size	Multi-specification
Material	ABS
Type	Motion Sensor Light
Power Source	Large capacity battery, Rechargeable Lithium-ion Battery
Installation Method	Magnetic installation
Additional Features	Automatic light

#### Applications:

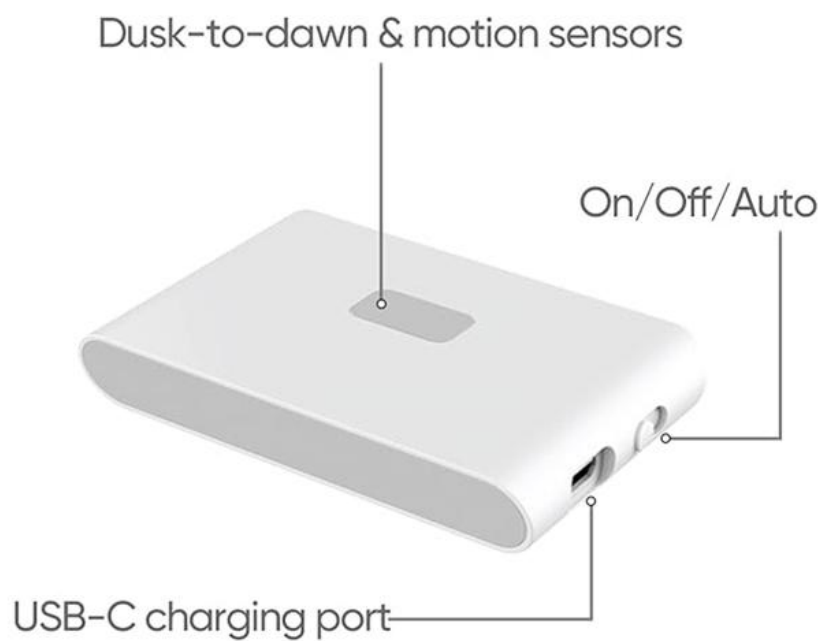

The light has been designed with a large capacity rechargeable Lithium-ion Battery that guarantees long-lasting use. This feature makes the light convenient for use in areas with no power outlet. You can charge it and use it for a long time without recharging. The Magnetic Installation method makes it easy to install without the need for drilling holes or using screws.

The light comes with three color dimming options (3000K/4500K/6000K) which you can switch to based on your preference. Additionally, the brightness control feature allows you to adjust the brightness level to your satisfaction.

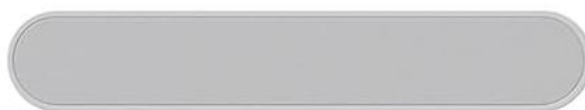

The product comes in a color box, and the minimum order quantity is 10pcs. With a supply ability of 200000pcs/month, the delivery time is short, taking between 3-8 days. Payment is via TT.

Overall, the Motion Sensor Night Light from LC-SNL-B is perfect for use in various scenarios and guarantees long-lasting use with its

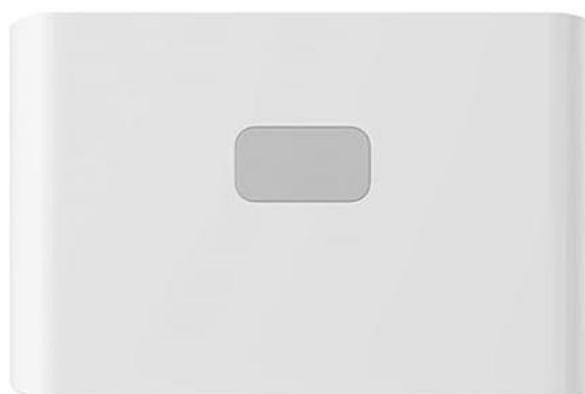

large capacity rechargeable Lithium-ion Battery. Its Magnetic Installation method makes it easy to install, and its three color dimming options and brightness control feature make it convenient for use in different settings. Order now and enjoy the convenience and quality that this product offers.
