Applications:

This LED table lamp can be used in a variety of scenarios, including:

Reading: The Linkop LC-WC-3185S provides ample lighting for reading books, magazines, or even your favorite e-reader.

Studying: Whether you're a student or just need a well-lit workspace, this lamp is perfect for providing you with the necessary lighting for studying and working on projects.

Working: If you work from home or have a home office, this lamp can provide you with the necessary lighting for completing your work tasks.

Decorative: Its sleek and stylish design can also be used for decorative purposes, adding an extra touch of sophistication to your home or office.

As a rechargeable lamp, the Linkop LC-WC-3185S can be charged using its Type-C charge port, providing you with up to 8 hours of continuous lighting on a single charge. This makes it perfect for those who need to work or study on-the-go.

Additionally, the Linkop LC-WC-3185S has been certified with CE, ensuring that it has met the required safety standards. It has a minimum order quantity of 10pcs and comes packaged in a color box. With a delivery time of 3-8 days, and payment terms of TT, it offers flexibility and convenience for its users. With a supply ability of 200000pcs/month, you can trust that the Linkop LC-WC-3185S will be readily available for all your lighting needs.
