## Product Description

### Adjustable Brightness Led Touch Table Lamp For Home And Office

#### Product Description:

The interface of this desk lamp is a Type-C-USB, which means it is compatible with a variety of devices and easy to charge. No more fumbling with cords and outlets - simply plug in and let the lamp charge.

We stand behind the quality of our product, which is why we offer a 12-month warranty on this LED desk lamp. You can trust that it will provide reliable and consistent lighting for all your work needs.

This desk lamp has three temperature settings - 2800K, 3800K, and 4500K - allowing you to adjust the lighting based on your preferences and needs. Whether you need a warm and cozy glow or a bright and energizing light, this lamp has you covered.

With a wattage of 1.6W, this lamp provides ample lighting for your workspace while still being energy efficient. You can feel good about using this LED desk lamp knowing that it is eco-friendly and won't drive up your electricity bill.

In summary, our rechargeable LED desk lamp is a must-have for anyone in need of a reliable and stylish lighting solution for their workspace. With a tabletop mount switch installation type, Type-C-USB interface, 12-month warranty, and customizable temperature settings, this desk lamp is the perfect addition to any desk or workspace.
