

## 30w Led Power Supply 3-12v Adjustable Switching For Camera Router Speaker

Our Product Introduction

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE/FCC/ROHS
- Model Number: LC-HXY-122500
- Minimum Order Quantity: 10pcs
- Price: \$6.5/Pcs
- Packaging Details: bag
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 300000pcs/ month

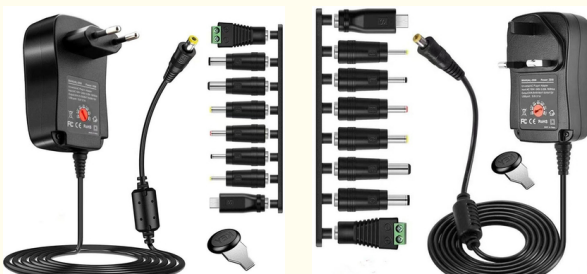

### Product Specification

- AC Plug: EU UK US
- Output: 3-12V 30W
- DC Cable: 1M/1.2M/1.5M/Customized
- Warranty: 2 Years
- Color: White Black Customized
- Type: AC-DC
- Certificate: CE FCC ROHS
- Input: 100-240VAC 50/60HZ
- Highlight: 30w Led Power Supply ,  
Speaker Adjustable Led Power Supply ,  
Led Power Supply 12v

## Product Description

### 30w Universal Power Adapter 3-12v Adjustable Switching Adapter With 8 Tips For Led Strip Light Camera Router Speaker

#### Product Description:

Our LED power regulator is a plug-in type AC-DC converter, making it easy to use and install. The DC cable comes in various lengths, including 1M, 1.2M, 1.5M, and can be customized to meet your specific needs. The DC jack, or plug, is available in 5.5\*2.1MM, 5.5\*2.5MM, or custom sizes to fit your LED electric power units.

Our LED power supply has a 2-year warranty, giving you peace of mind and ensuring that you are receiving the highest quality product. Our product is designed to last and will not disappoint.

Our LED power converter is perfect for a variety of applications, including commercial and residential lighting, signage, and more. Our product is designed to provide a stable and reliable power source for your LED lights, ensuring that they operate at their peak performance at all times.

Trust in our LED power regulator to provide you with the best possible performance and efficiency. Order today and experience the difference that our product can make for your LED lighting needs.

#### Features:

Product Name: led power supply  
Connection: Plug In  
Input: 100-240VAC 50/60HZ  
Output: 3-12V 30W  
AC plug: EU UK US  
Color: White Black Customized  
Can be used as a led module power controller  
Can be used as a led strip power source  
Can be used as a Desktop power adapter

#### Technical Parameters:

Technical Parameter	Value
Input	100-240VAC 50/60HZ
Certificate	CE FCC ROHS
Warranty	2 Years
Type	AC-DC
Connection	Plug In
DC Jack (plug)	5.5*2.1MM/ 5.5*2.5MM/ Custom
AC plug	EU UK US
Output	3-12V 30W
Color	White Black Customized
Product Name	3-12V Power Adapter

#### Applications:

Linkop's LC-HXY-122500 LED Power Converter is a high-quality and reliable power supply designed for various LED lamp energy supply applications. The product is manufactured in Guangdong, China, and has been certified with CE/FCC/ROHS, making it a reliable choice for any LED lighting system.

The LLC-HXY-122500 LED Power Converter is ideal for various occasions and scenarios. It can be used for indoor and outdoor LED lighting systems, including streetlights, garden lights, and other commercial and residential lighting systems. The product is equipped with a DC cable that can be customized to 1M/1.2M/1.5M, depending on the application requirements. Additionally, the AC plug is available in EU, UK, and US configurations, making it suitable for use in different regions.

With a minimum order quantity of just 10pcs, the LC-HXY-122500 LED Power Converter is perfect for small and large-scale LED lighting

projects. The packaging details include a bag, and the delivery time is between 3-8 days, making it an efficient choice for urgent projects. Payment terms are TT, and the supply ability is 300000pcs/month, ensuring that the product is readily available for customers. The LC-HXY-122500 LED Power Converter is a versatile product that can be used in various LED lighting systems. The product is designed to provide a stable and reliable power supply, ensuring that the LED lamps operate efficiently and effectively. The product name, 3-12V Power Adapter, reflects the product's voltage range, making it an ideal choice for LED lamps that require a voltage range of 3-12V.

Linkop's LC-HXY-122500 LED Power Converter comes with a 2-year warranty, providing customers with peace of mind. The product's high-quality design and reliable performance make it a suitable choice for various LED lighting systems. Whether you need a power supply for your indoor or outdoor LED lighting system, the LC-HXY-122500 LED Power Converter is an excellent choice.
