Product Description

Led 3w Wall Lamp Aluminum Adjustable Angle White Warm White For Bedroom Corridor Lighting Fixtures

Product Description:

This LED Wall Lamp has a voltage range of 110-240V, which makes it perfect for use in any country. With a beam angle of 80 degrees, it provides ample lighting coverage for any space, making it ideal for use in bedrooms, living rooms, and even in your home office. At only 3 watts, this LED Wall Lamp is energy-efficient and eco-friendly, making it a great choice for those who want to reduce their carbon footprint. It emits a bright and warm light that is perfect for reading or working, and it does not emit any harmful UV rays, making it safe for your eyes.

Whether you are looking to add some ambiance to your living room or need a reading light for your bedroom, this light emitting diode lamp on a wall is the perfect choice. Its sleek and modern design will complement any decor style, and its high-quality construction ensures that it will last for years to come.

Applications:

Thanks to its 3W wattage, the Linkop LC-OXY019-LSH is capable of providing ample illumination, making it an ideal choice for use in bedrooms, hallways, gardens, buildings, and houses. The shade of the LED Wall Lantern is designed to direct the light downwards, making it perfect for use in areas where focused illumination is required.

In addition to its impressive performance, the Linkop LC-OXY019-LSH is also certified by CE, FCC, and ROHS, ensuring that it meets the highest standards of safety and quality. This certification makes it a great choice for use in commercial and industrial settings, where compliance with safety regulations is essential.

Whether you're looking for a reliable LED wall light unit for your home or business, the Linkop LC-OXY019-LSH is an excellent choice. With a minimum order quantity of just 10pcs, and quick delivery times of 3-8 days, it's easy to get the high-quality LED Wall Lantern you need when you need it.

So why wait? Order your Linkop LC-OXY019-LSH LED wall light unit today and experience the power and performance of this amazing wall-mounted LED light for yourself!
