#### Applications:

The Linkop LED Wall Fixture is a hardwired unit, providing stable and reliable power for the long-lasting 3w lamp. The light is directed downwards, creating a warm and inviting atmosphere in any room or outdoor space. The lifetime of the LED wall light unit is a remarkable 50000 hours, providing years of hassle-free use.

This LED Wall Fixture is not only functional but also stylish. The minimalistic design adds a touch of elegance to any decor, making it a versatile addition to homes, hotels, offices, and commercial spaces. The Linkop LED Wall Fixture comes in a box packaging and requires a minimum order quantity of 10pcs, with a delivery time of 3-8 days. Payment terms are TT, and the supply ability is 300000pcs per month, ensuring that your order is delivered on time.

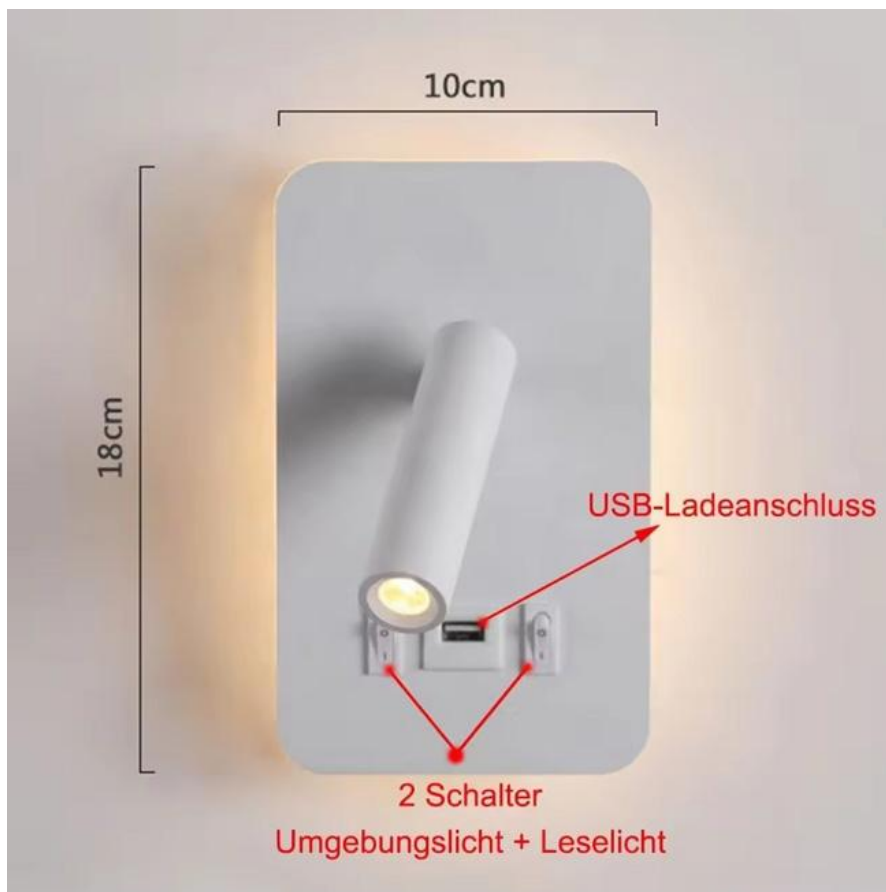

The Linkop LED Wall Fixture is perfect for a variety of occasions and scenarios. It can be used as accent lighting, providing a warm and welcoming glow in hallways, living rooms, and bedrooms. It is also ideal for outdoor spaces, such as patios, gardens, and balconies, creating an inviting ambiance for entertaining guests or relaxing after a long day. The durable and long-lasting construction of the Linkop LED Wall Fixture makes it an excellent choice for commercial spaces, such as offices, stores, and restaurants.

In conclusion, the Linkop LED Wall Fixture is an excellent choice for anyone looking for a stylish and durable wall-mounted LED light. Its minimalistic design, long-lasting construction, and warm lighting make it an ideal choice for a variety of occasions and scenarios. So why wait? Order your Linkop LED Wall Fixture today and experience the perfect blend of functionality and style.

Both light sources turn on at the same time
