Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE/FCC/ROHS
- Model Number: LC-ZQJ-SJ002
- Minimum Order Quantity: 10pcs
- Price: \$3.5/Pcs
- Packaging Details: box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 300000pcs/ month

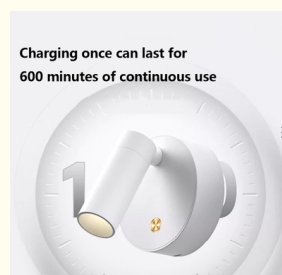

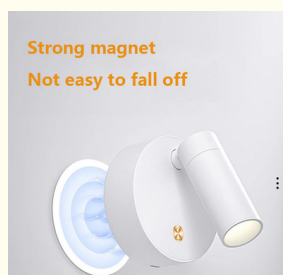

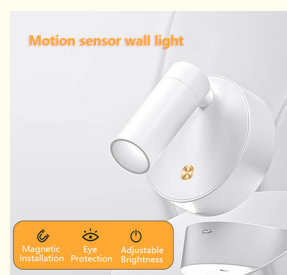

Product Specification

- Temperature: 3000K/4500K/6000K
- Material: ABS
- Battery Type: 18650
- Luminous Flux: 24lm
- Ip Rate: IP22
- Operating Voltage: 5V1A
- Keyword: No-wire Connection, charging
- Product Color: Black/White
- Highlight: 2w Abs LED Wall Lamp, Battery LED Wall Lamp, 24lm LED Wall Lamp

Product Description

2w Ac Abs Battery Wall Lamp For Charging No Wire Connection 24lm Brightness

Product Description:

Constructed with high-quality materials, this led wall lamp is durable and built to last. The white finish gives it a classic and elegant look, while the 2W wattage ensures that it provides efficient lighting without consuming too much energy. This makes it perfect for use in bedrooms, hallways, gardens, and any other area where you need reliable lighting.

One of the biggest advantages of our light emitting diode wall light is its long lifetime. With a lifespan of up to 50000 hours, this led wall lighting fixture will provide you with years of reliable and efficient lighting. This means that you won't have to worry about replacing your wall lamp for light emitting diode anytime soon, making it a cost-effective and convenient lighting solution.

Whether you're looking for a modern and stylish lighting solution for your home or a reliable and efficient lighting fixture for your building, our led wall lamp is the perfect choice. With its adjustable angle feature, sleek design, and long lifetime, you can rest assured that you're getting a high-quality product that will meet all your lighting needs.

Product Name: LED Wall Lamp
Power Source: Rechargeable Battery
Temperature: 3000K/4500K/6000K
Lamp Power: 2W
Lifetime: 50000 Hours
Material: ABS

Technical Parameters:

Product Name	LED Wall Mounted Lamp
Temperature	3000K/4500K/6000K
Keyword	No-wire Connection, charging
IP Rate	IP22
Lamp Bead Type	CREE
Lifetime	50000 Hours
Battery Type	18650
Luminous Flux	24lm
Wattage	2W
Material	ABS
Lamp Power	2W

Applications:

Originating from Guangdong, China, the Linkop LC-ZQJ-SJ002 LED Wall Fixture Lamp is certified by CE/FCC/ROHS, ensuring that it meets the highest industry standards for quality and safety. With a minimum order quantity of just 10pcs and packaging details in a box, this product is perfect for both personal and commercial use.

The biggest feature of this wall lamp is its touch switch, which can be paired with a wireless remote control, allowing you to easily control it whether you are sitting or lying down without getting up.

With a delivery time of 3-8 days, the Linkop LC-ZQJ-SJ002 LED Wall Fixture Lamp is both fast and efficient. Payment terms are TT and supply ability is 300000pcs/ month, making it easy to get your hands on this top-quality LED light fixture for walls.

One of the best things about the Linkop LC-ZQJ-SJ002 LED Wall Fixture Lamp is its no-wire connection feature. This makes it easy to install and use, without having to worry about complicated wiring or installation. Additionally, this LED light fixture for walls is powered by a rechargeable battery, making it both convenient and cost-effective. With a lamp power of 2w and a battery capacity of either 1200mAh or 1800mAh, this LED wall lamp product is perfect for any situation.

Whether you're looking to enhance the ambiance of your bedroom, hallway, garden, building, or house, the Linkop LC-ZQJ-SJ002 LED Wall Fixture Lamp is the perfect choice. With its sleek and modern design, it is sure to add style and sophistication to any space. So why wait? Order your Linkop LC-ZQJ-SJ002 LED Wall Fixture Lamp today and experience the power of cutting-edge LED technology!
