

Usb 4W Led Solar Light Hand Cranked Flashlight Emergency Power Bank

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE/FCC/ROHS
- Model Number: LC-CX-LS-016
- Minimum Order Quantity: 100pcs
- Price: \$6/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 300000pcs/ month

Product Specification

- Power: 4 Watt
- Working Voltage: 5V800mAh
- Installation: Portable
- Brightness: Adjustable
- Item Type: Camping Light
- Material: Plastic
- Size: One
- Application: Indoor And Outdoor
- Highlight: 4W Led Solar Light,
Solar Hand Cranked Flashlight,
4W Hand Cranked Flashlight

Product Description

Portable Usb 4-Watt Led Solar Light, Hand Cranked Flashlight, Emergency Power Bank

Product Description:

One of the outstanding features of our solar LED lights is their portability. Its compact size makes it easy for you to carry around, whether you're camping, hiking, or just need a light source in case of a power outage. It is also very suitable for illuminating outdoor spaces such as terraces, decks, and gardens.

LED light sources are incredibly efficient and durable, making them a reliable choice for all your lighting needs. Its durability also ensures that it will continue to work for a long time, even in harsh weather conditions.

Another benefit of our solar LED lights is their eco friendliness. By utilizing the energy of the sun, this type of lighting fixture reduces your carbon footprint and helps save energy. And it can also be hand cranked for power generation, reverse output for charging, various emergency functions, which is a wise choice for anyone who wants to reduce environmental impact and travel.

In summary, our portable solar LED lights are a versatile and reliable choice for all your indoor and outdoor lighting needs. Its efficient LED light source, durable structure, and environmental friendliness make it a wise choice for anyone who wants to save energy and reduce their carbon footprint. In addition, its compact size and portability make it easy to take you anywhere.

Features:

Product Name: LED solar lamp

Application: Indoor And Outdoor

Input: 50Hz 5 Volt

Solar Panel: 5V 60mAh

Battery Capacity: 4ah

Power: 4 Watt

Features:

Eco-friendly LED outdoor lamp

Sun-powered lighting fixture

Technical Parameters:

Technical Parameter	Description
Voltage	3.7V
Material	Plastic
Solar Panel	5V 60mAh
Installation	Desktop Or Wall-mounted
Brightness	Adjustable
Input	50Hz 5 Volt
Application	Indoor And Outdoor
Battery Capacity	4ah
Usage	Indoor And Outdoor Lighting
Output Voltage	5V

This eco-friendly LED outdoor light is made of plastic and equipped with a 5V 60mAh sustainable solar panel. It is suitable for indoor and outdoor use. Input 50Hz 5V. With a battery capacity of 600mAh, this lamp provides a long-lasting and energy-efficient lighting solution. The output voltage of this lamp is 5V, making it an excellent choice for environmentally conscious consumers.

Applications:

Whether you're camping, hiking, or just spending time outdoors, LC-CX-LS-016 portable solar LED lights are the perfect lighting solution. With its compact and lightweight design, this solar LED light can be easily transported and used, no matter what you need it for. LED light sources are efficient, providing bright and reliable illumination that is perfect for any situation.

LC-CX portable solar LED lights are also an excellent choice for indoor use. The compact size of this LED light makes it easy to use in any room of the house, providing bright and reliable lighting that is perfect for reading, working, or simply relaxing.

The installation of LC-CX-LS-016 portable solar LED light is an easy task. The compact design allows you to carry it anytime, put it in your pocket or bag, making it an ideal choice for various applications. In addition, this solar powered LED light is environmentally friendly,

making it an excellent choice for anyone who wants to reduce their carbon footprint.

With its CE/FCC/ROHS certification, LC-CX-LS-016 portable solar LED light is a durable and high-quality product. The minimum order quantity for this product is 100 pieces, packaged in a colored box for easy transportation and storage. Delivery time is 3-8 days, payment method is TT. LC-CX-LS-016 portable solar LED lights can supply 300000 units per month and are suitable for any application, making it a reliable and effective lighting solution.
