Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Motion sensor cabinet light
- Certification: CE
- Model Number: LC-XQL-P10
- Minimum Order Quantity: 10pcs
- Price: \$2.85/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 200000pcs/ month

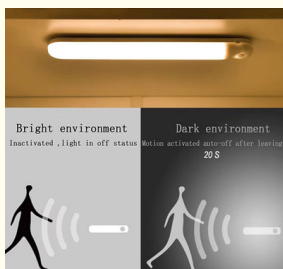

Product Specification

- Type: Motion Sensor Light
- Color Temperature: 2700K/3000K/4000K/6000K/7000K
- Power Source: Rechargeable Lithium-ion Battery
- Dimensions: Multi-size Option
- Material: ABS
- Light Source: LED
- Size: Multi-specification
- Waterproof: No
- Highlight: **Rechargeable Motion Sensor Light, Adjustable Color Temperature Motion Sensor Light, Rechargeable Motion Sensor Cabinet Light**

Product Description

Rechargeable Motion Sensor Light With Adjustable Color Temperature Cabinet Light

Product Description:

The LED motion sensor light is powered by a rechargeable lithium-ion battery, ensuring that it is always ready to use. The large capacity battery ensures that it can last for extended periods without the need for frequent charging.

This LED motion sensor light is available in multiple sizes, making it versatile and easy to choose the right size for your needs. You can choose from a range of color temperatures, including 2700K, 3000K, 4000K, 6000K and 7000K, to suit your preferences.

The motion sensor feature of this light allows it to detect movement within a certain range, making it perfect for use in areas such as closets, hallways, and stairways. The light will automatically turn on when it detects movement, and it will turn off after a set period of time, which can be adjusted to your liking.

With its easy installation method, durable material, and large capacity battery, this LED motion sensor light is the perfect solution for all your lighting needs. Whether you need to light up a dark corner of your home or office or want to ensure that your hallway is well-lit at all times, this light has got you covered.

Features:

Product Name: LED motion sensor light

Brightness: Adjustable

Size: Multi-specification

Type: Motion Sensor Light

Power Source: Rechargeable Lithium-ion Battery

Material: ABS

Five color dimming

Ultra thin intelligent

Technical Parameters:

Installation Method	Magnetic Installation
Sensor Angle	120 Degrees
Power Source	Rechargeable Lithium-ion Battery
Sensor Type	PIR
Size	Multi-specification
Light Source	LED
Dimensions	Multi-size Option
Color Temperature	2700K/3000K/4000K/6000K/7000K
Brightness	Adjustable
Sensor Range	Up To 10 Feet

Applications:

This light is perfect for a variety of applications, including use in the kitchen, closet, bathroom, or anywhere else where you need a little extra light. It is easy to install and can be mounted anywhere with the included adhesive strip. The light features a PIR sensor type and a 120-degree sensor angle, ensuring that it will turn on when you need it to.

The Motion Sensor Cabinet Light is available in multi-specifications and has five color temperature options: 2700K, 3000K, 4000K, 6000K and 7000K. This means that you can choose the perfect color temperature for your space. Additionally, it also has a brightness adjustment function, so you can adjust the brightness to your liking.

This light is also incredibly convenient, as it is equipped with a rechargeable lithium-ion battery. It has a long battery life, so you won't have to worry about constantly replacing batteries. The Motion Sensor Cabinet Light is also CE certified, ensuring that it is of the highest quality.

With a minimum order quantity of just 10pcs and a delivery time of 3-8 days, the Motion Sensor Cabinet Light is a great choice for anyone who needs a reliable and convenient light source. It comes packaged in a color box, making it a great gift for anyone who needs a little extra light in their life.

Order now and discover the convenience and versatility of the Motion Sensor Cabinet Light!

3 Steps, easy to install

1. Remove 3M sticker from the soft magnetic strip.

2. Attach the soft magnetic strip to the installation position.

3. Attach the lamp to the soft magnetic strip.
