Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Motion sensor cabinet light
- Certification: CE
- Model Number: LC-XQL-X25C
- Minimum Order Quantity: 10pcs
- Price: \$1.85/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 200000pcs/ month

Product Specification

- Brightness: Adjustable
- Color Temperature: 3000K/4000K/7000K
- Sensor Angle: 120 Degrees
- Waterproof: No
- Power Source: Rechargeable Lithium-ion Battery
- Light Source: LED
- Sensor Type: PIR
- Size: Multi-specification
- Highlight: **Pir Sensor LED Motion Sensor Light, Adjustable Brightness Motion Sensor Light, 120 Degree Sensor Motion Sensor Light**

Product Description

Adjustable Brightness Motion Sensor Light With 120 Degree Pir Sensor

Product Description:

Measuring in at multiple sizes, this LED light can fit into any space with ease. The dimensions of the product make it easy to install and use in any environment. The product comes with a rechargeable lithium-ion battery, making it convenient to use without the need for constant replacement of batteries.

The LED motion sensor light is designed to be easy to install and comes with a magnetic installation option, allowing you to easily install it in any space without the need for tools or complicated installation procedures. The magnetic installation is perfect for those who want a quick and easy solution to their lighting needs.

One of the great features of this LED light is the three color dimming feature. This feature allows you to adjust the brightness of the light to suit your specific needs. Whether you need a bright light to see clearly or a softer light for a more relaxed atmosphere, this product has you covered.

The LED motion sensor light is the perfect choice for anyone who needs a versatile and reliable lighting solution. With its PIR sensor, magnetic installation, rechargeable battery and three color dimming, this product is sure to meet all your needs and exceed your expectations.

Features:

Product Name: LED motion sensor light
 Sensor Range: Up To 10 Feet
 Power Source: Rechargeable Lithium-ion Battery
 Waterproof: No
 Color Temperature: 3000K/4000K/7000K
 Sensor Angle: 120 Degrees
 Ultra thin intelligent design
 Automatic light with motion sensor
 CE certified

Technical Parameters:

Installation Method:	Magnetic Installation
Sensor Type:	PIR
Color Temperature:	3000K/4000K/7000K Three color dimming
Sensor Range:	Up To 10 Feet
Brightness:	Adjustable
Sensor Angle:	120 Degrees
Waterproof:	No
Application scenario:	Wardrobe/ Display Case/ Cabinet/ Desk/ Stairs/ Bedside
Type:	Motion Sensor Light, LED cabinet light
Size:	Multi-specification
Charging:	Type-C charging

Applications:

Thanks to its CE certification, the Motion Sensor Cabinet Light is a reliable and safe product that can be used in a variety of settings. It is perfect for use in homes, offices, and commercial spaces where automatic lighting is required. The Motion Sensor Cabinet Light is available in multi-size options, making it easy to find the perfect fit for your space.

The PIR sensor type and 120-degree sensor angle make it an effective product for detecting movement at close range. It can detect movement up to several meters away, making it perfect for use in hallways, staircases, and other tight spaces.

The Motion Sensor Cabinet Light is available in three different color temperatures: 3000K, 4000K, and 7000K. This makes it easy to customize the lighting to your specific needs and preferences.

The product comes with a minimum order quantity of 10pcs, making it a great option for both small and large-scale projects. The Motion

Sensor Cabinet Light is packaged in a color box and has a delivery time of 3-8 days. The payment terms are TT, and the supply ability is 20000pcs/month.

Overall, the Motion Sensor Cabinet Light is a versatile and reliable product that offers automatic lighting and human body sensing technology. Its CE certification ensures that it is a safe and trustworthy product that can be used in a variety of settings. Whether you need it for your home, office, or commercial space, the Motion Sensor Cabinet Light is a great option that is sure to meet your needs.
