## Product Description

### Retro 5v Rechargeable Led Desk Lamp With Adjustable Brightness And Tri Color Dimming Ambient Light

#### Product Description:

This lamp is made of high-quality ABS and iron materials, which can withstand daily wear and tear, making it a reliable lighting solution for the next few years. This lamp is equipped with a Type-C charging interface, making it convenient for you to charge and use anytime, anywhere.

The LED desk lamp adopts a 2835 LED design, providing bright and energy-saving lighting. This lamp provides three color dimming adjustment options of 3000K/4500K/6000K, allowing you to adjust the lighting according to your mood and preferences.

Whether you need to read a book, work on a laptop, or just relax and unwind, this lamp is the perfect lighting solution for any task. Three tone lighting adjustment helps reduce eye fatigue and provides a comfortable lighting experience.

In short, our LED desk lamp is a multifunctional, retro, and stylish atmosphere decoration light that is suitable for any modern living space. With its reliable construction quality, energy-saving LED, and three color dimming adjustment, this lamp is a must-have for anyone looking for a comfortable and effective lighting solution. Buy now and experience something different!
