Uses soft silicone to protect the bottom from slipping.

Product Description

Led Vintage Desk Lamp Desk Lamp With Dimmable Light And 5v Usb Charging

Product Description:

One of the key features of this LED table lamp is its brightness control. With the touch of a button, you can adjust the brightness to your liking, making it easy to find the perfect lighting for any task. Whether you need a bright light for reading or a softer light for working on the computer, this lamp has you covered.

The LED table lamp comes with one piece, making it easy to set up and use right out of the box. It also features a Type-C charge port, which allows you to charge it quickly and easily. The Type-C interface also allows for quick and easy connection to a USB port, making it a breeze to connect to your computer or other electronic devices.

Another great feature of this LED table lamp is its temperature control. With the ability to adjust the temperature to 3000K, 4500K, or 6000K, you can create a warm, inviting ambiance or a cool, bright atmosphere depending on your needs. This feature is perfect for those who need to work long hours at their desk, as it can help reduce eye strain and fatigue.

Overall, the LED table lamp is a great choice for anyone looking for a high-quality, efficient, and stylish desk lamp. With its brightness control, USB charging, and temperature control, this lamp is sure to meet all of your lighting needs. So why wait? Order your LED table lamp today and start enjoying the benefits of this amazing product!

Applications:

The LC-WC-1EC1 LED table lamp offers three-tone light options, which include 3000K, 4500K, and 6000K. This feature allows you to adjust the lighting to suit your needs, whether you require bright light for reading or a more subdued light for relaxation. The lamp is also equipped with a 3W wattage to ensure that you receive the perfect amount of light for your needs.

This LED table lamp is rechargeable, so you can easily take it with you wherever you go without worrying about finding a power outlet. The charging port is Type-C-USB, making it easy and convenient to recharge. The lamp also has a long battery life, so you can use it for extended periods without needing to recharge.

The LC-WC-1EC1 LED table lamp is made from high-quality ABS+IRON materials, ensuring that it is durable and can withstand everyday wear and tear. It is available in two colors, black and white, to match your decor. The lamp is also CE certified, ensuring that it meets all safety standards.

The Linkop LC-WC-1EC1 LED table lamp has a minimum order quantity of 10pcs and comes packaged in a color box for easy transportation. Delivery time is between 3-8 days, and payment terms are TT. We have a supply ability of 200000pcs/month, ensuring that you can always get the lamp when you need it.

In conclusion, the Linkop LC-WC-1EC1 LED table lamp is the perfect lighting solution for any occasion or scenario. Its tall legged design, three-tone light options, and rechargeable capabilities make it a versatile and convenient choice. Order yours today and experience the convenience and quality of the LC-WC-1EC1 LED table lamp.
