Features: RGB LED Ribbon Lights, Dimmable LED Strip Lighting

Technical Parameters:

Leds:	18pcs
Led Quantity:	18 LEDs/m
Color:	RGB
Support Dimmer:	Yes
Input Voltage:	DC 5V
Size:	10mm
Power Input:	DC5V
Lamp Body Material:	PCB
Lifespan:	50,000 Hours
Product Detail:	Light Strip + USB Controller

Applications:

One popular use for these lights is as flexible LED lights for accenting and highlighting. They can be installed along walls, ceilings, and other surfaces to create a unique and eye-catching feature in any room. The adhesive LED rope lights make installation easy and hassle-free, and the waterproof IP20 rating means that they can be safely used in damp or wet locations.
The LCSD- LED STRIP LIGHTS are also a great choice for creating ambiance and mood lighting. They can be used in bars, restaurants, and other hospitality settings to create a warm and inviting atmosphere. The lights are dimmable, so you can adjust the brightness to suit your needs and preferences.
Another popular use for the LCSD- LED STRIP LIGHTS is as decorative lighting for events and parties. They can be used to create a festive and celebratory atmosphere, and the adhesive LED rope lights make it easy to install them on walls, tables, and other surfaces.
These LED STRIP LIGHTS are also a great choice for task lighting in kitchens, offices, and other workspaces. They provide bright and reliable illumination that can help improve productivity and reduce eye strain. And with a lifespan of 50,000 hours, you can be sure that they will provide long-lasting performance.
Whether you're looking for flexible LED lights for accenting and highlighting, adhesive LED rope lights for decorative purposes, or task lighting for your workspace, Linkop's LCSD- LED STRIP LIGHTS are a versatile and reliable choice. With a minimum order quantity of 10 sets and a delivery time of 3-8 days, you can get the lighting you need quickly and easily.
