

## Outdoor Led Portable Flashlight Usb Charging Retractable Tail Magnet

Our Product Introduction

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE/FCC/ROHS
- Model Number: LCSD-SZ-mini-cob
- Minimum Order Quantity: 20pcs
- Price: \$4.3/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 300000pcs/ month

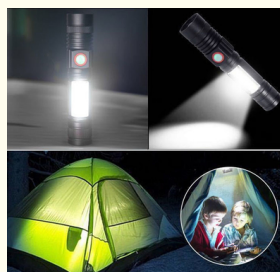

### Product Specification

- Zoomable: Yes
- Power Source: Battery
- Flashlight Type: Rechargeable Flashlight
- Power Supply: Lithium-ion Battery
- Light Source: LED
- Beam Throw: 200m
- Lamp Body Material: Aluminum Alloy
- Feature: Multifunctional
- Highlight: Usb Charging Led Portable Flashlight,  
Retractable Led Portable Flashlight,  
Tail Magnet Led Portable Flashlight

## Product Description

### Led Portable Flashlight Usb Charging Retractable Tail Magnet With Pen Holder Outdoor Flashlight

#### Product Description:

The light source for this flashlight is an LED flashing lamp, which is both bright and long-lasting. With a powerful and efficient LED torch flash, this flashlight is able to provide a bright and reliable light source that will last for hours on a single charge.

One of the key features of this flashlight is its multifunctional design. In addition to providing a bright light source, it also comes equipped with a laser torch that can be used for a variety of different purposes. Whether you need to point out a specific location or simply want to add a bit of fun and excitement to your next camping trip, this laser torch is sure to come in handy.

Another great feature of this flashlight is its rechargeable design. Powered by a lithium battery, this flashlight can be easily recharged using the included T-c charging cable. This means that you can always have a reliable light source on hand, without having to worry about constantly replacing batteries.

When you purchase this LED Flash Light, you will receive everything you need to get started. Along with the flashlight itself, you will also receive a lithium battery, a T-c charging cable, and an instruction manual. This makes it easy to start using your new flashlight right away, without having to worry about purchasing any additional accessories or equipment.

Overall, if you are looking for a reliable and versatile flashlight that is perfect for a variety of different uses, the LED Flash Light is an excellent choice. With its powerful LED torch flash, multifunctional design, and rechargeable battery, this flashlight is sure to become an essential part of your camping or outdoor gear.

#### Features:

Product Name: LED Flash Light  
Feature: Multifunctional  
Power Source: Battery  
Light Source: LED  
Lighting Modes: High/Low/Strobe  
Power Supply: Lithium-ion Battery  
Reverse Charging  
Portable Rechargeable  
Flash Light Torch LED

#### Technical Parameters:

Feature	Multifunctional
Flashlight Type	Rechargeable Flashlight
Lighting Modes	High/Low/Strobe
Lamp Body Material	Aluminum Alloy
Package Contents	Lamp, Lithium Battery, T-c Charging Cable, Instruction Manual
IP Rating	IP65
Power Source	Battery
Waterproof	Yes
Power Supply	Lithium-ion Battery
Zoomable	Yes

#### Applications:

Linkop LCSD-SZ-mini-cob LED Flash Light Torch is powered by a battery that provides long-lasting performance. It has an IP65 rating that makes it resistant to water and dust, making it ideal for use in harsh weather conditions. The lighting modes of this product include high, low, and strobe, which makes it suitable for various occasions and scenarios.

This LED Flash Light Torch is perfect for outdoor activities like camping, hiking, and trekking. It can be used during power outages or emergency situations, making it a must-have tool for every household. The high-power light output of this product provides maximum brightness, making it easy to navigate through dark areas.

The multifunctional features of Linkop LCSD-SZ-mini-cob LED Flash Light Torch make it an ideal tool for various applications. It can be used for hunting, fishing, and other outdoor activities that require bright and efficient lighting. The package contents of this product include a lamp, lithium battery, T-c charging cable, and instruction manual, which makes it easy to use and maintain. In conclusion, the Linkop LCSD-SZ-mini-cob LED Flash Light Torch is a high-quality product that provides efficient and multifunctional lighting for various occasions and scenarios. Its high-power output, outdoor zoom, and IP65 rating make it an ideal tool for outdoor activities, emergency situations, and household use. Order now and experience the convenience of this product!

### Compact Size & Detachable Clip

Item:QA721-A(2600)

Lumen:350LM

Modes:four modes(ON-high-low-COB constant bright-  
COB light SOS-OFF)

Charging: type-c 5V/2A

Discharging time:2.5h

Waterproof:IPX4

Size:29\*26.5\*138.5mm

Net weight:93g(not include battery)

Others:short circuit protect
