

Abs Shell Led Street Light Fixture Ip67 Waterproof Dusk To Dawn Solar Powered

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE/FCC/ROHS
- Model Number: LC-BJDJ-BJ-YT-003
- Minimum Order Quantity: 10pcs
- Price: \$15.5/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 3000000pcs/ month

Product Specification

- Housing Material: ABS
- Application Scenario: Streets, Factories, Yards, Roads, Schools, Gardens And So On
- Work Temperature: -30°C~+60°C
- Charging Time: 4-8 Hours
- Waterproof Class: IP67
- Led Light: High Brightness Bridgelux
- Lithium Battery: 3.2V
- Operating Voltage: AC90-295V, 50-60Hz
- Highlight: **Led Street Light Fixture Ip67, Abs Shell Led Street Light, Waterproof Led Street Light Fixture**

Product Description

Abs Shell Led Street Light Fixture Ip67 Waterproof Dusk To Dawn Solar Powered

Product Description:

The Smart Solar Street Lamp has an IP67 waterproof rating, making it suitable for use in all weather conditions. Its durable construction ensures it can withstand harsh weather conditions, ensuring that it continues to provide reliable lighting for many years. The LED lifespan of this street lamp is over 50,000 hours, ensuring that it provides long-lasting and efficient lighting.

This LED high power street lamp is ideal for use in a variety of outdoor lighting applications, including street lighting, park lighting, and parking lot lighting. Its high-quality LED lights provide bright and uniform lighting, ensuring that the surrounding area is well-lit and safe. The Smart Solar Street Lamp is also energy-efficient, which means that it can help reduce your energy bills and save money in the long run.

The Smart Solar Street Lamp is easy to install and maintain, making it an ideal choice for municipalities and businesses. Its modern design and efficient performance make it a popular choice for those who are looking for a reliable and cost-effective outdoor lighting solution.

Features:

Product Name: LED Street Lamp

Power Supply: Solar

Operating Voltage: AC90-295V, 50-60Hz

Led Light: High Brightness Bridgelux

Application scenario: Streets, Factories, Yards, Roads, Schools, Gardens And So On

Warranty: 1 Years

Keywords: LED Highway Luminaire, LED roadway luminaires, LED Freeway Pole

Technical Parameters:

LED Street Light:	400W / 500W / 600W
Led Lifespan:	>50000H
Work Temperature:	-30°C~+60°C
Power Supply:	Solar
Lithium Battery:	3.2V
Switching mode:	Intelligent Light Control Switch
Warranty:	1 Years
Application scenario:	Streets, Factories, Yards, Roads, Schools, Gardens And So On
Installation mode:	No Wiring
Led Light:	High Brightness Bridgelux

Applications:

The LC-BJDJ-BJ-YT-003 LED high power street lamp is perfect for smart solar street lighting, and its installation mode doesn't require wiring. Made of durable ABS material, this LED highway luminaire is waterproof with a rating of IP67, making it suitable for various outdoor lighting occasions. Whether it's lighting up streets, parks, gardens, or parking lots, the LC-BJDJ-BJ-YT-003 LED high power street lamp has got you covered.

With a 1-year warranty, you can be sure that you are getting a quality product that will serve you for a long time. The LC-BJDJ-BJ-YT-003 LED high power street lamp is an eco-friendly lighting solution that provides bright and reliable lighting, making it ideal for residential and commercial settings. Get your hands on this product today and experience the difference in your outdoor lighting setup.

Famous brand

Focus on solar lamp research and development

Solar charging

Polycrystalline silicon
photovoltaic panel

Upgraded high-bright
lamp beads

Large capacity
lithium battery

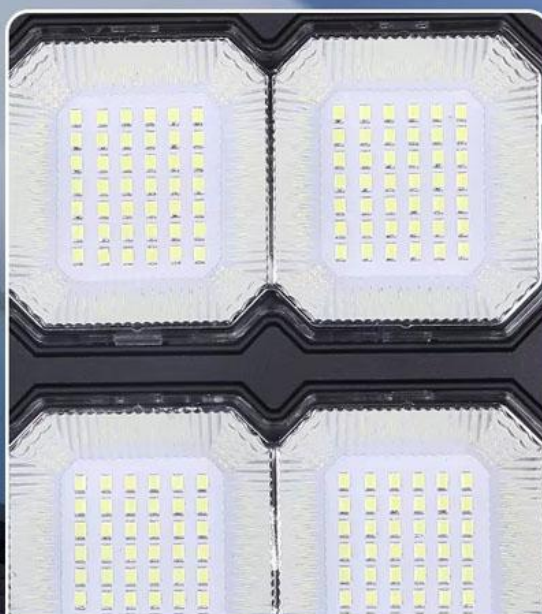

Uninterrupted power
in rainy days

Easy to install

High-intensity lamp beads New upgraded high brightness

High conversion efficiency, low light decay, high lumen, long lifespan
The brightness is increased by 50%.

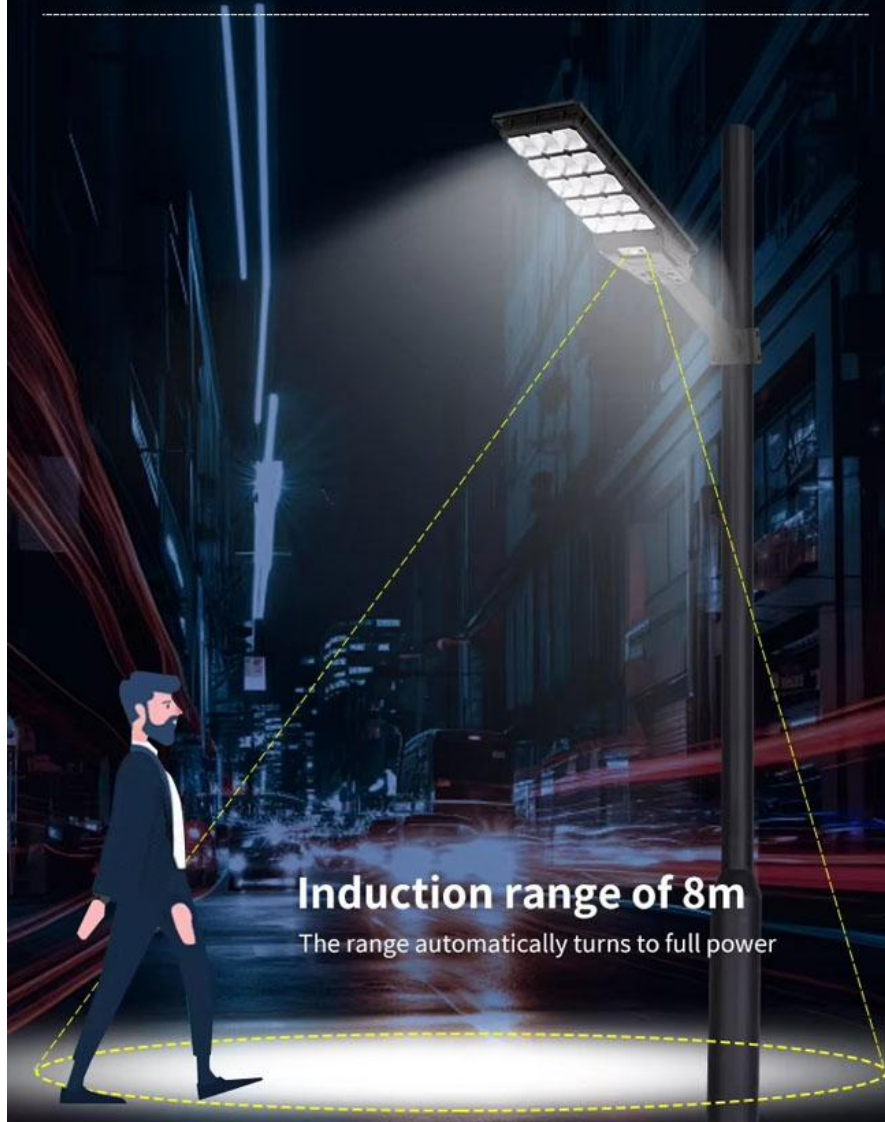

New upgraded high-bright lamp beads

High transmittance and wide angle
50% brightness improvement

Motion sensing system

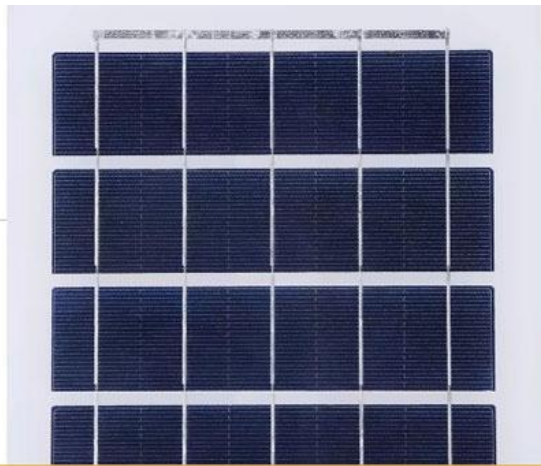

When someone passes by, it will automatically turn on, and when someone leaves, it will turn into weak light and power saving mode

...

high-conversion solar panel

High photoelectric conversion rate, fast charging speed, and charging even in rainy days.

ABS thickening material

High-efficiency heat dissipation design is anti-corrosion and anti-rust.

Easy installation

Installation in multiple scenarios

Accessible installation: suitable for walls, street lamp poles, and cement poles

Installation
of cement pole

Installation
of lamp pole

Wall installation

Easy to install Suitable for various scenarios

Small size, no wiring, easy to install
