

Household Led Street Lamp Waterproof Human Body Sensing Solar Street Lights

Our Product Introduction

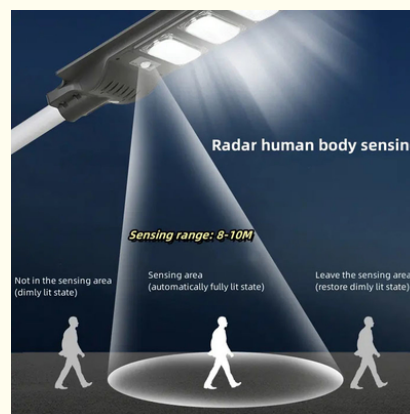

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE/FCC/ROHS
- Model Number: LC-BJDJ-BJ-YT-001B
- Minimum Order Quantity: 10pcs
- Price: \$10.4/Pcs
- Packaging Details: color box
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 3000000pcs/ month

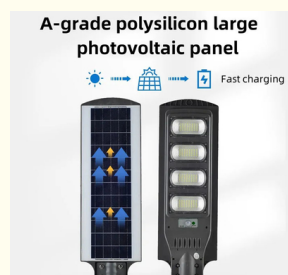

Product Specification

- Led Lifespan: >50000H
- Installation Mode: No Wiring
- Product List: Lights, Solar Panels, Brackets, Screws, Remote Control
- Warranty: 1 Years
- Power Supply: Solar
- Switching Mode: Intelligent Light Control Switch
- Power: 30W 60W 90W 120W 150W
- Application Scenario: Streets, Factories, Yards, Roads, Schools, Gardens And So On
- Highlight: **Waterproof Led Street Lamp, Household Led Street Lamp, Human Body Sensing Solar Street Lights**

Product Description

Household Waterproof Lighting Street Lights Outdoor Led Human Body Sensing Solar Street Lights

Product Description:

This LED street lamp has been certified by CE, EMC, LVD, RoHS, and FCC, ensuring that it meets strict quality and safety standards. You can rest assured that this product is not only effective, but also safe for use in any outdoor environment.

One of the standout features of this LED street lamp is its intelligent light control switch. This switch ensures that the lamp automatically turns on at dusk and turns off at dawn, saving you time and energy. This mode of switching is perfect for use in areas where manual switching is not possible or practical.

Our LED street lamp comes in various power options of 30W, 60W, 90W, 120W and 150W, allowing you to choose the power that best suits your lighting requirements. This product is also designed to provide a lighting duration of 16-24 hours, ensuring that your outdoor areas remain well-lit throughout the night.

Another impressive feature of this LED street lamp is its long-lasting LED lifespan of over 50,000 hours. This ensures that you get the most out of your investment, reducing the need for frequent replacements and maintenance.

Our LED street lamp is not only reliable and efficient, but it is also eco-friendly, making it the perfect choice for any environmentally-conscious consumer. By opting for LED walkway lights and LED area lighting, you are reducing your carbon footprint and helping to create a sustainable future.

In conclusion, our LED induction street light is the perfect solution for anyone looking to illuminate their streets, walkways, and other outdoor areas. With its advanced features, certifications, and long lifespan, you can trust that this product will provide reliable and efficient lighting for years to come.

Features:

Product Name: LED Street Lamp

Product list: Lights, Solar Panels, Brackets, Screws, Remote Control

Waterproof class: IP67

Lithium Battery: 3.2V

Warranty: 1 Year

Switching mode: Intelligent Light Control Switch

Keywords: LED Highway Luminaire, LED roadway luminaires, LED Road Lamp

Technical Parameters:

Product Name:	Smart Solar Street Lamp
Lighting Duration:	16-24 Hours
Installation Mode:	No Wiring
Operating Voltage:	AC90-295V, 50-60Hz
LED Light:	High Brightness Bridgelux
Waterproof Class:	IP67
Housing Material:	ABS
Work Temperature:	-30°C~+60°C
Lithium Battery:	3.2V
Power Supply:	Solar

Applications:

This LED street lamp is perfect for use in urban and suburban areas, providing bright and efficient lighting for pedestrians and drivers alike. It can be used as a standalone luminaire or as part of a larger lighting system, depending on the needs of the application. In addition, Linkop LED solar street light is an eco-friendly option that can be powered by the sun, reducing energy costs and carbon emissions.

Whether you need lighting for a busy highway or a quiet residential street, the LC-BJDJ-BJ-YT-001B LED highway luminaire is up to the task. It is available with a range of mounting options, including pole mount and wall mount, and can be easily installed without wiring. This

product is certified by CE, FCC, and ROHS, ensuring that it meets the highest standards of quality and safety.

Linkop's LC-BJDJ-BJ-YT-001B LED street lamp is available for order now, with a minimum order quantity of 10pcs. It comes packaged in a color box and can be delivered within 3-8 days. Payment terms are TT, and supply ability is 3000000pcs per month. With its high-quality components and one-year warranty, this LED street lamp is a smart choice for any outdoor lighting application.
