### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE
- Model Number: LC-NX-220V-240D-FCOB
- Minimum Order Quantity: 100 meters
- Price: \$1.38/meters
- Packaging Details: bag
- Delivery Time: 3-8 days
- Payment Terms: TT
- Supply Ability: 200000meters/ month

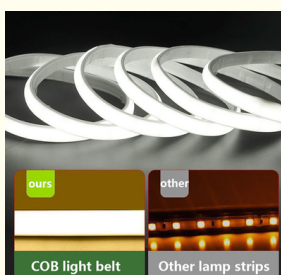

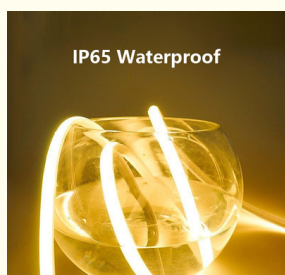

### Product Specification

- Led Type: COB
- Cuttable Length: 1M
- LED Qty: 240Leds/m
- Ip Rating: IP67
- Power: 10W/m
- Operating Voltage: 220V
- Beam Angle: 180 Degrees
- Color Temperature: White Light, Warm White Light, Neutral Light, Red, Green, Blue, Golden Yellow, Ice Blue, Pink, Orange
- Highlight: Dimmable Cob Light Strip, 220v Cob Light Strip, Ip67 Cob Light Strip

## Product Description

### 220v Ip67 Dimmable Cob Light Strip Ideal For Customer Requirements

#### Product Description:

COB LED light strips are available in a variety of color temperatures, including white, warm white, and neutral light. In addition, this product is available in a variety of vibrant colors, such as red, green, blue, golden yellow, ice blue, pink, and orange. This gives you the flexibility to choose the lighting solution that best suits your needs.

The COB LED light strip has an operating voltage of 220V and is IP67 waterproof, ensuring safe and efficient use. Whether you are using this light strip in a residential or commercial setting, you can rest assured that it will provide reliable and consistent performance.

This product comes with a 1-year warranty, giving you peace of mind, ensuring that you are getting a high-quality and reliable lighting solution. Whether you need a lighting solution for your home, office, or other space, COB LED light strips are an excellent choice.

COB LED light strips have 240 LEDs per meter. Whether you need a small lighting solution or a more powerful lighting solution. In addition, the COB technology used in this product ensures that it is efficient and long-lasting.

#### Features:

Product Name: COB LED Light Strip

Cuttable Length: 1M

Beam Angle: 180 Degrees

Led Type: COB

Ip Rating: IP67

Cri: 90+

Single color COB

220V linear lamp

#### Technical Parameters:

LED Qty	240 Leds/m
Operating voltage	220V
Warranty	1 Years
Power	10W/m
Cri	90+
Luminous Flux	1000lm/m
Beam Angle	180 Degrees
Ip Rating	IP67
Led Type	COB
Length	100 Meters

#### Applications:

The LED light strip has 240 LEDs per meter and a width of 10mm, making it perfect for illuminating a wide area. It is also IP67 rated, meaning it is highly resistant to dust and water. This makes it suitable for use in damp environments and even submerged in water up to 1 meter deep.

The Linkop LC-NX-220V-240D-FCOB COB LED Light Strip can be cut every 1 meter, making it easy to customize the length to your specific needs. It is also dimmable, allowing you to adjust the brightness to create the perfect ambiance.

The product is suitable for a wide range of occasions and scenarios, including but not limited to:

Home lighting: The COB LED light strip can be used to create beautiful and ambient lighting in various rooms in the house, such as the living room, bedroom, and kitchen.

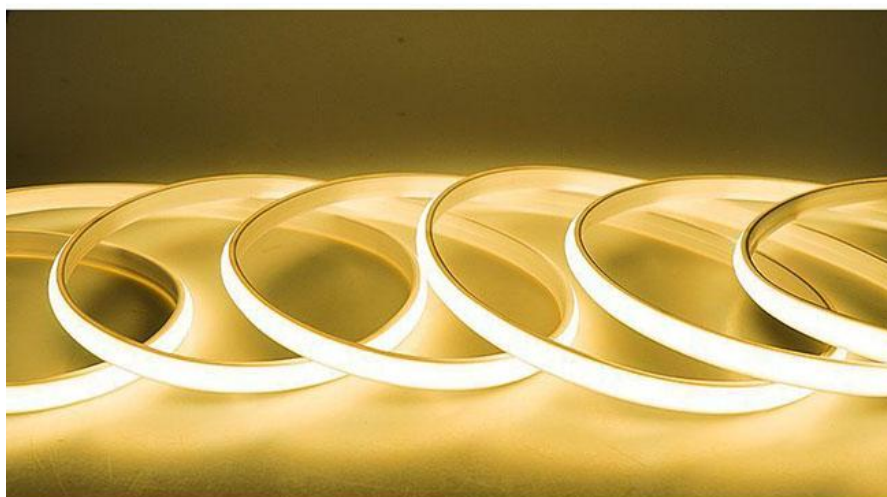

Commercial lighting: The product is ideal for commercial applications such as restaurants, bars, and retail stores. It can be used to highlight products, create a specific ambiance, or simply provide general lighting.

Outdoor lighting: Because of its IP67 rating, the COB LED light strip can be used outdoors to illuminate gardens, patios, or swimming pools. It is also suitable for use in boats and other marine environments.

Please note that the product is not suitable for use in environments with an IP20 rating or less. The width of the product is 10mm and the thickness is 3mm.

# Different brightness
