

Water Proof 320 Led Cob Light Strip For And 24v Operating Voltage

Our Product Introduction

for more products please visit us on ledslightstrip.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Linkop
- Certification: CE
- Model Number: LC-kwcob20240606
- Minimum Order Quantity: 100 Meters
- Price: \$4.5
- Packaging Details: Bag
- Delivery Time: 3-8 Days
- Payment Terms: TT
- Supply Ability: 200000meters/ Month

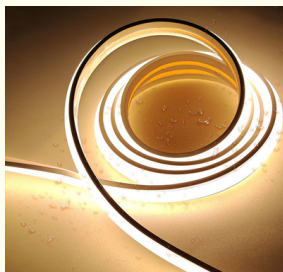

Product Specification

- Voltage: 24V
- Cuttable Length: Every 3 LEDs
- Led Quantity: 320
- Power Consumption: 12W
- Strip Length: 5 Meters
- Cri: 90+
- Length: 5 Meters
- Diameter: 10mm
- Highlight: Water Proof COB LED Light Strip,
24v COB LED Light Strip,
320 COB LED Light Strip

Product Description

Water Proof 320 Led Cob Light Strip For And 24v Operating Voltage

Product Description:

With a warm white color temperature of 2700K, the COB LED Strip creates a cozy and inviting atmosphere in any room. The strip operates at 24V, ensuring energy savings and a long lifespan. The strip's self-adhesive feature allows for easy installation, making the installation process hassle-free and ensuring the strip stays in place wherever it is installed.

Its IP65 waterproof rating makes this strip perfect for lighting up walkways, gardens and terraces. The warm white glow creates a relaxing, calming atmosphere perfect for any occasion. COB LED Strips are also great for highlighting architectural features and creating a dramatic effect in any space.

Whether you want to create a cozy atmosphere in your living room or illuminate your garden, COB LED Strips are the perfect solution. With their versatility, energy savings and long lifespan, what are you waiting for? Order your COB LED Strip today and transform your space!

Features:

Product Name: COB LED Light Strip
Length: 5 Meters
Cri: 90+
Color Temperature: Warm White(2700K)
Luminous Flux: 1800lm
Strip Length: 5 Meters
3mm
ip65
Arbitrary cropping

Technical Parameters:

Voltage	24V
IP Rating	IP65
LED Quantity	320
Cutable Length	Every 3 LEDs
Strip Length	5 Meters
Lifetime	50,000 Hours
Power Consumption	12W
Luminous Flux	1800lm
Length	5 Meters
Adhesive Backing	Yes

Applications:

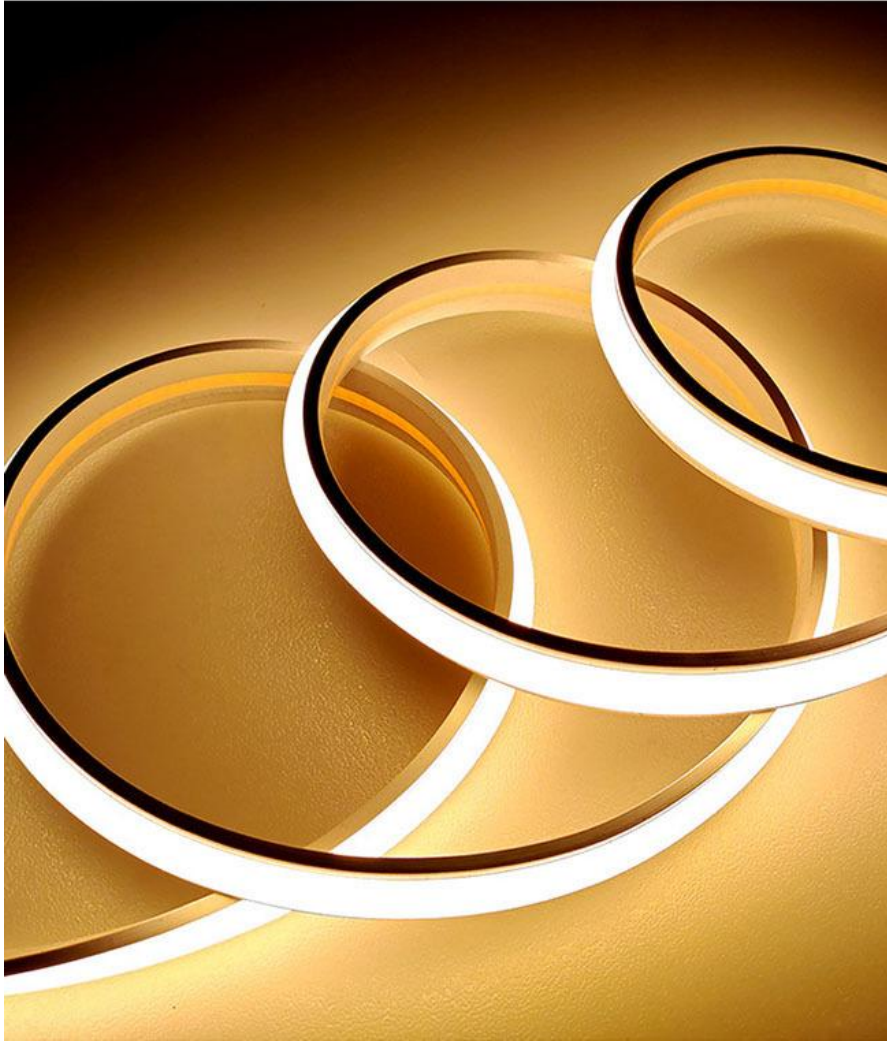

The packaging of the LC-kwcob20240606 consists of one bag, and the delivery time is usually 3-8 days. The payment terms of this product are TT, and the supply capacity is 200000 meters per month. With an operating voltage of 24V and a power consumption of 12W, this COB LED light strip is both energy-efficient and powerful.

One of the standout features of this product is its sticky backing, which makes installation a breeze. The self-adhesive light strip allows users to easily attach the light strip to a variety of surfaces without the need for additional hardware. The light strip can also be cut every 3 LEDs, allowing for arbitrary cutting and customization to meet specific needs.

The LC-kwcob20240606 is dustproof and waterproof, and with a CRI of 90+, this product provides bright, accurate color performance, making it ideal for a variety of applications. Whether used in home, office or commercial environments, this COB LED light strip is a reliable and cost-effective solution for all your lighting needs.

Good light strip Good quality

High CRI High brightness Fast heat dissipation

Uniform and stable light emission

Large light emission area, can be bent arbitrarily

Can be cut

Highly conductive

High brightness
