Product Description

800lm/m Luminous Flux Cob Light Strip Dimmable 24v Single Color 8mm Warranty 3 Years

Product Description:

One of the best features of this flexible light strip is its cuttable lengths. Each 3 LED light strip can be easily cut to fit any space or design. This allows for more customization and flexibility during installation, making it easier to create the perfect lighting setup.

The COB LED technology used in this light strip offers a 180° beam angle, ensuring that the light is spread evenly and efficiently. This makes it ideal for lighting larger areas or creating a more welcoming atmosphere. The high-quality LEDs also have a longer lifespan, which means you can enjoy a reliable and durable lighting solution.

Overall, this flexible light strip is a great choice for any lighting project that requires a versatile, reliable, and customizable solution. With its 8mm width, single-color COB LEDs, and cuttable lengths, it's perfect for any space, from residential to commercial. Buy now to experience the best of flexible light strip technology.

Features:

Product Name: COB LED Light Strip
Width: 8mm
