## Product Description

### 5m Single Color Cob Light Strip 5v400 Light Led Self-adhesive Linear Light

#### Product Description:

Our COB LED strip comes in 5m lengths and 5mm widths, making it the perfect size for any space. It can be used indoors.

The COB LED technology used in this strip ensures it is stable and atmospheric, meaning it provides a consistent and uniform light output. This is perfect for creating a warm and inviting atmosphere in your home or office. The strip is also easy to install, making it a great choice for those who want to DIY their lighting.

The COB LED strip also comes with a 2-year warranty, ensuring you are buying a high-quality product that will last. The strip is rated IP20, meaning it is resistant to dust and small particles. It is also safe to use indoors.

If you are looking for a high-quality and energy-efficient lighting solution, then our COB LED strip is the perfect choice for you. This strip has a luminous flux of 800lm/m. What are you waiting for? Order yours today!
