

## LC-KWGD-6812-60-1 Battery Powered LED Strip Light Product Name LED Strip Lights for Portable and Flexible Lighting Options

### Our Product Introduction

for more products please visit us on [ledslightstrip.com](http://ledslightstrip.com)

#### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LINKOP
- Certification: CE
- Model Number: LCSD-12V5050-RGB-60D-IP20
- Minimum Order Quantity: 50 meters
- Price: \$0.9/meters
- Packaging Details: bag
- Delivery Time: 3-8 work days
- Payment Terms: T/T
- Supply Ability: 500000meters/month

#### Product Specification

- Ip Grade: IP20
- Lifespan: 50,000 Hours
- Chip Quantity: 20 Pcs/m
- Size: 5m/roll
- Colour: RGB+IC
- Led Type: 5050
- Product Category: LED Strip Lights
- Shape: Flexible Ribbon
- Highlight: **battery powered LED strip lights, portable LED strip lights, flexible LED lighting options**

## Product Description

### Product Description:

Introducing our top-of-the-line 24V LED Strip Lights, the perfect solution for adding ambiance and style to any space. With 60 high-quality lamp beads per meter, these LED strip lights provide bright and uniform illumination, creating a stunning visual effect.

Operating at a low voltage of DC 5V, our LED strip lights are not only energy-efficient but also safe to use in various settings. Each strip features 20 premium quality chips per meter, ensuring a reliable and consistent performance.

Designed for longevity, these LED strip lights boast an impressive lifespan of 50,000 hours, which means you can enjoy their brilliant light for years to come without worrying about frequent replacements. The flexible ribbon shape of the strips allows for easy installation around corners and curves, making them versatile for a wide range of applications.

Whether you're looking to enhance your living room, bedroom, kitchen, or any other space, our Dimmable LED Strip Lights offer the perfect combination of functionality and style. With the ability to adjust the brightness levels to suit your preference, you can create the ideal atmosphere for any occasion.

Transform your home, office, or commercial space with our 24V LED Strip Lights and experience the magic of customizable lighting. With their sleek design and superior performance, these LED strip lights are the ideal choice for adding a touch of elegance and sophistication to any environment.

### Features:

Product Name: LED Strip Lights

Product Usage: Indoor

Working Voltage: 5V

IP Grade: IP20

Led Type: 5050

Emitting Color: RGB+IC

### Technical Parameters:
