Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LINKOP
- Certification: CE
- Model Number: LCSD-12V5050-RGB-60D-IP20
- Minimum Order Quantity: 50 meters
- Price: \$0.9/meters
- Packaging Details: bag
- Delivery Time: 3-8 work days
- Payment Terms: T/T
- Supply Ability: 500000meters/month

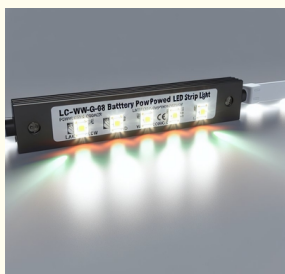

Product Specification

- Waterproof: IP67
- Shape: Flexible Tube
- Warranty: 2 Years
- Size: 5m/roll
- Model: LC-kw-g-08
- Color Jacket: Warm White 3000K/Neutral White 4000K/White 6500K
- Cuttable: Yes
- Led Type: SMD 2835
- Highlight: battery powered LED strip light, stunning lighting effects LED strip, LED strip light with warranty

Product Description

Product Description:

The LC-kw-g-08 Flex LED Strip Light is a versatile and energy-efficient lighting solution suitable for a variety of applications. With 2P pins at both ends, this LED strip light is easy to install and can be used in various settings including homes, shopping malls, supermarkets, outdoor decorative lighting, and more.

Featuring a power rating of 8.4w/m, the LC-kw-g-08 LED strip light provides bright and uniform illumination while being energy-efficient, making it a cost-effective lighting option for both residential and commercial spaces. Whether you need ambient lighting or task lighting, these LED strips offer a customizable solution to suit your needs.

One of the key features of the LC-kw-g-08 LED strip light is its waterproof rating of IP67, allowing it to be used in outdoor settings without the risk of water damage. This makes it ideal for outdoor decorative lighting applications where durability and reliability are essential.

Whether you are looking to enhance the ambiance of your home, create an inviting atmosphere in a retail space, or add a touch of flair to outdoor events, the LC-kw-g-08 Flex LED Strip Light is a versatile lighting option that can meet your needs. Its flexibility and ease of installation make it a popular choice for a wide range of lighting projects.

In addition to its general lighting applications, the LC-kw-g-08 LED strip light can also be used for specific purposes such as grow light LED strips for indoor gardening or automotive LED light strips for customizing vehicles. The versatility of this LED strip light makes it a valuable addition to any lighting toolkit.

Features:

Product Name: LED Strip Lights

Warranty: 2 Years

Led Configuration: 60 LEDs Per Metre

Usage: Home, Shopping Malls, Supermarkets, Outdoor Decorative Lighting, Etc.

Life: 50,000h

Cuttable: Yes

Color Temperatures	Warm White 3000K/Neutral White 4000K/White Light 6500K
Life	50,000h
Warranty	2 Years
Pins	2P pins at both ends
Size	5m/roll
Power	8.4w/m
Product Category	LED Strip Lights
Width	10mm

Applications:

Product Application Occasions and Scenarios for LINKOP LED Strip Lights

The LINKOP LCSD-12V5050-RGB-60D-IP20 LED Strip Lights are versatile lighting solutions suitable for a wide range of applications.

Here are some product application occasions and scenarios where these LED strip lights can be used:

Battery Powered LED Strip Light: The LINKOP LED strip lights are perfect for battery-powered applications where a low voltage lighting solution is required. They can be easily powered by a battery source, making them ideal for outdoor events, camping trips, and other situations where access to electricity may be limited.

Flexible LED Strip Light: The flexible design of the LINKOP LED strip lights allows for bending and shaping around various surfaces and corners. This makes them ideal for accent lighting in home decor, under cabinet lighting in kitchens, and creative DIY projects.

5050 RGB LED Strip Lights: With 5050 RGB LED chips, these strip lights are capable of producing a wide range of colors, making them perfect for creating dynamic lighting effects in entertainment venues, bars, clubs, and stage performances. The ability to change colors and adjust brightness adds a vibrant and customizable element to any space.

Whether you are looking to enhance the ambiance of a room, highlight architectural features, or add a pop of color to your event, the LINKOP LED Strip Lights offer a reliable and energy-efficient lighting solution.
