

## Experience the Benefits of Color Changing LED Strip Lights Durable and Versatile Lighting

### Our Product Introduction

#### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: LINKOP
- Certification: CE
- Model Number: LCSD-12V5050-RGB-60D-IP20
- Minimum Order Quantity: 50 meters
- Price: \$0.9/meters
- Packaging Details: bag
- Delivery Time: 3-8 work days
- Payment Terms: T/T
- Supply Ability: 500000meters/month

#### Product Specification

- Leds Type: SMD5050
- Emitting Color: RGB+IC
- Colour: RGB+IC
- Led Type: 5050
- Lifespan: 50,000 Hours
- Number Of Lamp Beads: 60 Leds/m
- Size: 5m/roll
- Product\_Usage: Indoor
- Highlight: **color changing LED strip lights,  
durable LED strip lighting,  
versatile LED light strips**

## Product Description

### Product Description:

Introducing our cutting-edge Digital LED Strip Lights, the perfect solution for adding ambient lighting to your indoor space. The LC-KWGD-6812-60-1 model is a top-of-the-line product that combines innovation and efficiency to provide a mesmerizing lighting experience.

Designed for indoor use, these Flexible LED Strip Lights offer endless possibilities for enhancing the atmosphere of any room. Whether you want to create a cozy ambiance in your living room or add a touch of flair to your home office, these LED strip lights are the ideal choice.

The LEDs Type SMD5050 ensures bright and vibrant lighting that will elevate the look of your space. With the 5050 LED Type, you can expect superior performance and longevity, making these LED strip lights a reliable and durable lighting solution.

With a power consumption of 12w/m, these 24V LED Strip Lights are energy-efficient and cost-effective, allowing you to enjoy stunning lighting effects without worrying about high electricity bills. The low power consumption of these LED strip lights makes them an environmentally friendly choice as well.

Enhance the aesthetic appeal of your space with our Digital LED Strip Lights. Whether you want to create a soothing ambiance for relaxation or add a pop of color to your room, these LED strip lights offer unmatched versatility and convenience. Install them effortlessly and watch as your space transforms into a captivating and inviting environment.

### Features:

Product Name: Addressable 5v Self-adhesive Light Strip 6812 Colorful 60 Lights Not Waterproof Ip20

Chip Quantity: 20 Pcs/m

Ip Grade: IP20

Size: 5m/roll

Colour: RGB+IC

### Technical Parameters:

Product Category	LED Strip Lights
Chip Quantity	20 Pcs/m
Size	5m/roll
Model	LC-KWGD-6812-60-1
Product Name	Addressable 5v Self-adhesive Light Strip 6812 Colorful 60 Lights Not Waterproof Ip20
Emitting Color	RGB+IC
Colour	RGB+IC
Led Type	5050
Product Usage	Indoor
Number of lamp beads	60 leds/m

### Applications:

LED Strip Lights by LINKOP (Model: LCSD-12V5050-RGB-60D-IP20) are versatile and suitable for a wide range of Product Application Occasions and Scenarios. The flexibility of these Dimmable LED Strip Lights makes them ideal for various settings.

1. Home Decor: Create a warm and inviting atmosphere in living rooms, bedrooms, kitchens, and bathrooms with these Flexible LED Strip Lights. The RGB+IC colors offer customizable options to suit any decor style.

2. Commercial Spaces: Enhance the ambiance of restaurants, bars, retail stores, and hotels with the vibrant illumination of these LED strip lights. The 5050 LED type and 60 leds/m provide bright and energy-efficient lighting solutions.

3. Event Lighting: Whether for parties, weddings, or corporate events, these LED strip lights can be used to add a festive touch to any occasion. The long lifespan of 50,000 hours ensures durability for multiple events.

4. Architectural Lighting: Illuminate architectural features, such as ceilings, walls, and staircases, with these IP20 rated LED strip lights. The high supply ability of 500,000 meters/month makes them suitable for large-scale projects.

5. Automotive Lighting: Upgrade the interior of cars, trucks, and motorcycles with these flexible LED strip lights. The CE certification guarantees safety and quality, while the affordable price of \$0.9/meter makes them a cost-effective choice.

Whether for creating a cozy atmosphere at home or adding flair to commercial spaces, LINKOP LED Strip Lights offer a reliable and stylish lighting solution for various Product Application Occasions and Scenarios.

### Support and Services:
