- Supply Ability: 500000meters/month

LC-KWGD-6812-60-1 LED Strip Lights SMD5050
Enhance Your Space with Professional Lighting

Product Specification

- Working Voltage: 5V
- Chip Quantity: 20 Pcs/m
- Ip Grade: IP20
- Model: LC-KWGD-6812-60-1
- Size: 5m/roll
- Led Type: 5050
- Number Of Lamp Beads: 60 Leds/m
- Product Category: LED Strip Lights
- Highlight: **SMD5050 LED strip lights,
professional LED strip lighting,
LED strip lights with warranty**

Product Description

Product Description:

A Dimmable LED Strip Light that will transform your indoor space into a vibrant and colorful oasis is here with our 24V LED Strip Lights. The LED Strip Lights are designed in a flexible ribbon shape, making it easy to install and shape around various surfaces and corners. With 60 LED lamp beads per meter, the light output is bright and even, perfect for adding ambiance and style to any room.

Our Color Changing LED Strip Lights in the RGB+IC color option allow you to create dynamic lighting effects with a wide range of colors to suit any mood or occasion. The model LC-KWGD-6812-60-1 is a top-of-the-line option that ensures quality and performance for your lighting needs.

Whether you want to add accent lighting to your living room, create a cozy atmosphere in the bedroom, or enhance your workspace with vibrant colors, these LED Strip Lights are the perfect solution. The flexibility of the ribbon shape allows you to easily install the lights under cabinets, along walls, or even around furniture to create a custom lighting design that suits your style.

With the ability to change colors at the touch of a button, you can easily switch between different hues to match your decor or set the mood for any occasion. The dimmable feature also allows you to adjust the brightness of the lights to create the perfect lighting level for any setting.

These LED Strip Lights are not only stylish and versatile but also energy-efficient, helping you save on your electricity bills while enjoying beautiful lighting effects. The 24V design ensures a safe and reliable operation, making these lights a long-lasting and cost-effective lighting solution for your indoor space.

Upgrade your home or office with our high-quality LED Strip Lights and experience the convenience and beauty of color-changing lighting.

Whether you are looking to create a relaxing ambiance, add a pop of color to your space, or enhance the overall aesthetic of a room, these LED Strip Lights offer endless possibilities for customization and creativity.
